

ACM DBCE visit to Government High School, Balli- Goa

The ACM DBCE student's chapter visited Government High School Balli, Goa on 10/9/2022 to conduct the seminar and poster drawing competition on "Impact of Technology on Rural Villages". The talk was given by Dr.Gaurang S Patkar. Dr.Patkar spoke about the use of technology in rural areas and its benefits. The competition was conducted by Asst.Prof. Sweta Morajkar along with students Mr.Pratham Shah and Ms.Gauravi Kamat. There were total 8 teams who participated in the said event. The event was very informative.
